

KY EXCEL Quarterly Update

Mark Your Calendars for the Members' Meeting

The 2016 KY EXCEL Members' Meeting will be held on **Thursday, July 28, 2016**. After last year's successful event at U.S. Army Garrison- Fort Knox, Master Member North American Stainless (NAS) has graciously agreed to host this year's meeting its facility, located at 6870 U.S. Highway 42 E, in Ghent, Kentucky.

Please make plans to join us to hear about KY EXCEL highlights and what NAS is doing to reduce its environmental footprint. We look forward to seeing everyone!

We have moved...

For the first time ever, all of DEP's offices are located in one building. Our new building is located at 300 Sower Blvd in Frankfort. The building is a LEED Silver-certified building, with LED lighting throughout and water bottle refilling stations! Come by and let us show you the building's sustainable features.

Upcoming Training Event

On **Wednesday, Aug. 31, 2016**, KY EXCEL will partner with Kentucky Pollution Prevention Center to co-host a free Carbon Footprint workshop. The workshop will be held at 3M- Cynthiana, a master member of KY EXCEL. There will be sessions on carbon footprint calculators, energy efficiency, building automation systems and alternative energy options in Kentucky. A draft agenda and registration will be coming soon.
